

UNITED LEATHER
USA

Dear Dealers,

We want to assure you that we take the health and well-being of our community, customers, and employees very seriously. Like you, we're closely monitoring the quickly developing effects of the Coronavirus (COVID-19) pandemic.

To help prevent the spread of COVID-19, we will practice social distancing. We will be temporarily closed on Monday and Friday for the next **three weeks** to protect and care for those who work with us and our dealers.

Please note our office staff will still be available on Monday and Friday to assist you either by email or phone. Our factory hours will remain the same 7am- 3:45pm during operating days.

If you need immediate assistance please email us at info@unitedleatherusa.com.

We are all in this together. We will continue to monitor the COVID-19 situation and will follow guidance from public health officials and government agencies, so we can continue to support our communities as needed.

Sincerely,

United Leather USA
